GENERAL INFORMATION

REACHING THE CAMPUS AREA

By Automobile: The New Orleans Baptist Theological Seminary is located on U.S. Highway 90 approximately five miles northeast of the central business district. Approach the campus area on either U.S. 90 or Interstate 10. If traveling on Interstate 10, exit at Louisa Street. See the following map.

From the New Orleans Union Station (trains and Greyhound Bus): Take a taxi to the campus area (cost approximately \$5), or go across the street from the terminal and take any bus to Canal Street; take any northbound Canal Street bus to Broad Street; and take the eastbound Broad-Michoud bus to the campus area.

From the New Orleans International Airport: The airport is located approximately eighteen miles to the west of the campus. Taxi fare from the airport to the campus is approximately \$12. An individual can reduce the amount to about \$8 by taking the limousine to the Fontainebleau Hotel and a taxi from there to the campus. The cheapest way to get from the airport to the campus is to take the airport bus to Broad Street and the Broad-Michoud bus from there to the campus. Because of the high cost of public transportation the host institution will attempt to provide transportation from the airport to the campus area for individuals and parties of two only. (Parties of three or more are requested to take the taxi and share expenses.) Those desiring such transportation should write to Prof. James A. Brooks, New Orleans Baptist Theological Seminary, 3939 Gentilly Blvd., New Orleans, La. 70126. Requests must be received no later than March 8. Indicate flight number and time of arrival. You will be informed by return mail where in the terminal and what time you will be met. In order to carry as many as possible in each vehicle, it may be necessary to ask you to wait for a period at the terminal.

ACCOMMODATIONS

The remaining meals may be taken at one of the restaurants in the vicinity of the campus. These are shown on the following map. No activities are scheduled on Friday evening on the assumption that many members will want to dine at one of the famous New Orleans restaurants.

TOURS OF THE CITY

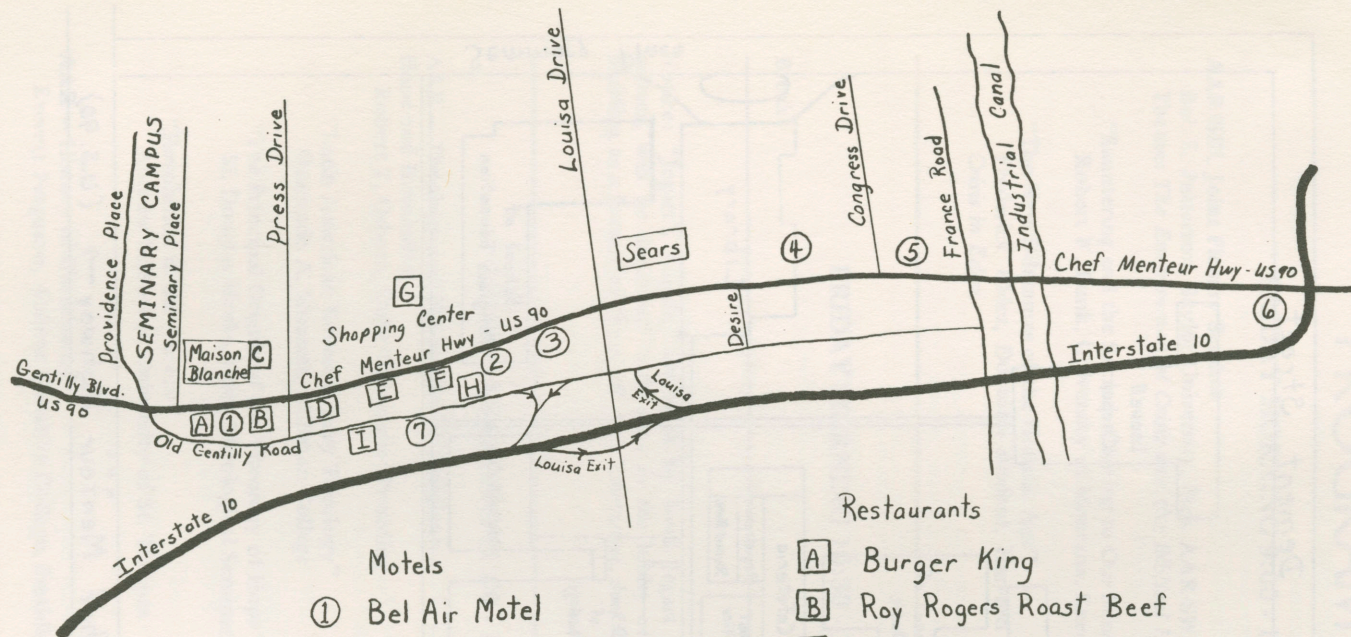

Most of the above motels offer various tours of the city.

REGISTRATION

The registration desk is located in the cafeteria building across from the post office. It will be open from 8:00 a.m. until 5:00 p.m. on Friday and from 8:00 until 3:30 on Saturday. The following registration fees will be charged: members \$2, all students including student members \$1, others \$3.

RETURN TO THE NEW ORLEANS AIRPORT

The host institution is unable to provide transportation from the campus area to the New Orleans Airport. The registration desk, however, will assist in arranging for parties of three to five persons to share a cab and thus minimize expenses. Make such requests at the registration desk no later than 5:00 p.m. on Friday, March 17. Information about such groups as may be formed will be available at the registration desk no later than 10:00 a.m. on Saturday the 18th.
