## GENERAL INFORMATION

### Registration

The Registration Area for the Annual Meeting will be located in the Upper Exhibition Hall, and will be open most hours during the Meeting. Those who have not pre-registered should register as soon as possible after checking in at the hotel.

Please consult the inside back cover for details on how to pre-register. The official Annual Meeting Badge is used to admit you to the Annual Meeting. Participants are requested to wear the Badge throughout the Meeting.

### Meeting Rooms

Meeting rooms for each session on the Program are designated with a prefix indicating the floor of the hotel. Note that the prefix C is used for the Club Floor, which is accessible only from the Fourth Floor.

### Exhibits

An impressive number of exhibitors will be displaying their wares in the Exhibit Hall on the Fourth Floor, in the same area as Registration. Exhibitors include Scholars Press, a variety of commercial, denominational and university presses, and a publishers' combined display. Their names and locations are given on the map of the Exhibit Hall on p. 58.

Exhibits will be open during the following hours:

|                      |                  |
|----------------------|------------------|
| Thursday, 30 October | 10 a.m. - 8 p.m. |
| Friday, 31 October   | 9 a.m. - 6 p.m.  |
| Saturday, 1 November | 9 a.m. - 5 p.m.  |

*Note:* Those publishers wishing to dispose of their display copies will do so on Saturday, 1 November, beginning at 3:30 p.m.

### Abstracts

Papers on the Program are identified as follows: A = AAR, S = SBL. Abstracts of papers read in Section meetings will be found in the books of abstracts of each of the Societies. Each registrant will receive a copy of the Book of Abstracts of the Society to which he or she belongs. Additional copies of the volumes will be on sale in the Registration Area.

### Seminars

Membership in AAR and SBL Seminars and similar groups is by invitation upon application to the Chairperson. Auditors are welcome at all sessions as space permits.

### AAR Program Papers

In the AAR program there are asterisks (\*) beside the titles of papers that have been preprinted. The books of preprinted papers are listed with the Scholars Press ad and can be obtained by use of the order form provided there. Sessions having preprinted papers will often presuppose prior reading; those planning to attend these sessions are encouraged to order the preprinted papers before the Annual Meeting.

### SBL Seminar Papers

Except where otherwise indicated, papers discussed but not read at SBL Seminars and at some Group sessions and Consultations are printed in the books of Seminar Papers. Those of primarily Old Testament interest are grouped in Volume I and those relating to New Testament in Volume II. The books have been distributed to registered Seminar members. Additional copies are on sale from Scholars Press either in advance of the Meeting (see the Scholars Press listing elsewhere in the program) or at the Meeting (at the Scholars Press booth).

### TOIL/Placement

An office for placement notices will be maintained in the Upper Exhibition Hall near Registration and Exhibits.

The October issue of TOIL (Teaching Opportunities Information Listing) will be available at the Meeting.

Candidates seeking interviews and Institutions with job openings are encouraged to leave messages in the TOIL office. No interview facilities are available in the office but ample space will be provided for posting notices. **Candidates seeking interviews should send dossiers and job descriptions to the AAR office at the Department of Religion, Florida State University, Tallahassee, FL 32306, by October 10.**

### Message Center

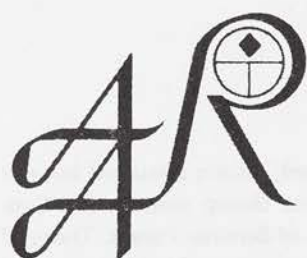

Through the courtesy of the Illinois Bell Telephone Company a Message Center is available outside the State Ballroom for the convenience of all participants at the Annual Meeting. The Annual Meeting number is (312) 236-0273. This is a direct line not connected with the hotel switchboard; it should be used if participants wish to be contacted from their home or office. The Message Center will be staffed from 8:00 a.m. to 5:00 p.m. daily during the meetings. Participants are urged to consult the Message Center frequently.

### Breakfast Discussions

Thirty breakfast discussions are planned by AAR. Each breakfast group is limited to 10 persons, including the author of the paper. Seats may be obtained on a first come, first served basis (see pre-registration form on the inside back cover page). Tickets may also be obtained at the meeting, but choice will inevitably be limited. If you have paid for your ticket in advance and have also pre-registered, your ticket will be mailed to you. Printed copies of papers to be discussed will be available only if furnished in quantity by the author.

### Where to Eat

The Palmer House features well known restaurants as well as a coffee shop. Numerous other eating places are located in the vicinity of the hotel.

## AMERICAN ACADEMY OF RELIGION

The American Academy of Religion is a society of college and university professors and others engaged in teaching and research in the field of religion. Its purpose is to stimulate scholarship, foster research and promote learning in the complex of disciplines that constitute religion as a field of inquiry.

Publications of the Academy and the convening of annual national and regional meetings implement these aims. Publications include the quarterly *Journal of the American Academy of Religion*, *Journal of Religious Ethics*, monographs in the Studies in Religion Series, and the Dissertation Series. The structure of the Annual meeting of the Academy reflects the varied scholarly concerns of its members and provides for the development of both special interests and cross-disciplinary conversations in the general sessions, sections, groups and seminars. These program units, formed in response to interests of the members, change to keep pace with movement in the field of religion.

The Academy is also a professional society keeping its membership informed of developing programs, newly available materials, and opportunities for study grants and research funds. The Academy is affiliated with the Council on the Study of Religion and cooperates in the publication of its *Bulletin*, a professional news magazine, and also in the publication of a job registry in the field of religion.

In addition to those whose interests are in the area of religion, many members whose primary professional identification is with societies serving other disciplines find membership in the Academy important in maintaining cross-disciplinary communication and in providing an overview of the field of religion.

"It is a deeply felt, powerfully conceived and a beautifully explained work...I have never seen any other work on the *Gītā* with such an important voice and style. It is a work of undoubted integrity. It will occupy a significant place in the intellectual and ethical life of modern man for a long time to come."

Prof. Shaligram Shukla  
Georgetown University

"*Śrīmad-Bhāgavatam* is a valuable source material for several categories of readers...it cannot but be attractive to serious students and scholars of religion and philosophy. I recommend the series, to anyone, as an important and useful reference work."

## ...the fountainhead

### WILLIAM FOXWELL ALBRIGHT: A Twentieth Century Genius

by Leona Glidden Running and David Noel Freedman

The biography of the scientist and teacher who is almost universally acknowledged to have been the foremost Biblical archaeologist of his day.

The authors are both former "Albright students." Dr. Running worked extensively with Albright in the preparation of many of his own written works for publication. Dr. Freedman was co-editor with Albright of the Anchor Bible Series (and is its present editor). Both authors knew Albright intimately, and have given us this first biography of the man and the scholar.

### AN EXPLORER'S LIFE OF JESUS

by Wendell Phillips

Dr. Phillips shares the Explorer's Club Gold Medal with Admiral Peary and Sir Edmund Hillary, and is the founder and president of the American Foundation for the Study of Man. He has studied under William Foxwell Albright, and Albright served as Chief Archaeologist on the Phillips expeditions in Oman and Arabia. Wendell Phillips has microfilmed more than two million ancient manuscripts at St. Catherine's Monastery on the Sinai Peninsula, and had an early opportunity to evaluate the discoveries of Qumran. From the knowledge gained in his exploration and study, and with the cooperation of Biblical scholars all over the world, Phillips has integrated all that is actually known about the life of Jesus of Nazareth into a provocative and illuminating account of the days on earth of the Founder of Christianity.

# **TOIL** Teaching Opportunities Information Listing

Now in its third year, TOIL, the job registry of the Council on the Study of Religion, has added an extra issue (July) at no additional cost to subscribers, in order to provide coverage of openings during the summer months.

With the October issue TOIL introduces a positions wanted section, for the benefit of job seekers. The guidelines for submitting listings are as follows:

1. As with employer listings, copy must be submitted camera ready, typed within the update form that appears in each issue of TOIL. The publication and first-class mailing of TOIL are financially possible only because copy is submitted in this form. Copy submitted in any other form or exceeding the boundaries of the update box will not be printed.
2. Copy must include the applicant's name and address, so that prospective employers may correspond directly with the applicant. No correspondence or referrals can be handled by TOIL. No dossiers or CV's or any other materials should be sent to TOIL.
3. Once submitted, listings will continue to be printed unchanged (for as many as five consecutive issues) unless the person submitting it notifies TOIL that it should be omitted from the next issue or submits new copy.
4. Entries will be listed in the order in which they are received.
5. Listings are for academic positions, teaching and administrative. TOIL reserves the right to decline ads not conforming to this general intent.
